

PiXL Wales Offer 2020/21

We really do hope that you will continue with us into the 2020-21 membership year. Please find below details of what we trust is an exciting offer, and by scanning the QR code you will be able to access our Overview booklet. PiXL (Partners in Excellence) is a partnership of over 3,000 schools comprising of around 1,600 secondary schools, 550 sixth forms, 1,000 primary schools and 60 providers of alternative education. Together, we share best practice to raise standards and to give students a better future and brighter hope.

We want young people to:

- achieve the best outcomes they can - we call this **Currency**.
- be the best people they can become - we call that **Character**.
- be kind, respectful and live without causing harm to others - we call that **Culture**.

Founded by Sir John Rowling, PiXL emerged from school improvement programme, the London Challenge, in 2004. When government funding for the initiative ceased in 2007, the 50 member schools at that time decided voluntarily to continue with its model of collaboration around leadership and shared resources. PiXL has since grown to become the largest network of schools in England and Wales.
