BETTER FUTURE BRIGHTER HOPE

PiXL Principles

We are an organisation that works with primary schools through to post-16 providers. Although we operate different sectors for different phases, the key PiXL principles are evident across 'One PiXL'. We are intentional about:

- **Improving life chances and outcomes for young people**
- **Influencing school leadership regionally and nationally**
- **Helping school leaders be the agents of change for the betterment of students.**

Why PiXL MAT Connect?

Based on our PiXL Principles, the intention of PiXL MAT Connect is to support each MAT:

- to achieve the consistency in how PiXL can improve the life chances of young people
- to help develop School Leaders to understand their role as Trust Leaders
- to enable the MAT Central Team to become agents of change.

PiXL MAT Connect aims to do this through:

Partnership and Collaboration

1. builds a partnership between PiXL and your MAT Central Team.
2. comes at no extra cost to your organisation.
3. can use its network to advise on current thinking and ideas for MATs.
4. discount for complete sector membership.

MAT support for all schools

1. is designed to help you achieve your strategic objectives for your MAT.
2. can advise your MAT Central Team on how to support your schools to get the most from their/your investment in PiXL.
3. will provide you with a dedicated MAT Connect Associate who will meet with your MAT Raising Standards Leader (MRSL) three times a year.
4. will provide high-quality CPD for school and MAT leaders.
5. will provide you with access to sector resources for those MATs with Standard Plus or Premium membership

Communication

1. provides regular communication to keep you informed on all PiXL developments at school, sector and MAT level.
2. provides central renewal system, as opposed to individual school renewals.
3. a dedicated, digital MAT Connect Platform with comprehensive facilities to support MATs, with your own login details.

To get the most from our Offer to you, we would like you:

1. to identify a sector MAT Raising Standards Leader (MRSL), who will be your direct link to PiXL MAT Connect.
2. to understand that our experience suggests that the schools/MATs who get the most from PiXL, are those who fully commit. We hope you will do the same.
3. to engage with the partnership, which thrives on shared practice for the benefit of others. We hope you will share your ideas and strategies for the benefit of others.
4. to complete the information section on the MAT Connect Platform to enable us to send you our regular school and MAT communications. We do need the contact details of the MRSLs and Finance Officer.

PiXL MAT Connect Offer for All Schools

There are three key features to our Offer:

1. The MAT Connect Offer is supported by the MAT Connect Platform. Senior MAT Leaders will have their own login details, which will give them access to a range of facilities, explained in the summary page on page 5.
2. We aim to build and support a network for MAT RSLs to be able to talk to each other, share ideas and benefit from mutual support.
3. We offer a MAT Associate to all of our Standard+ and Premier Membership MATs. Your Associate will advise the Central Team on how their schools can get the most from the PiXL Offer in their schools.

Please note, you will need to register for the MAT Connect Associate by opting into the scheme. There is no additional charge for this, but experience has taught us that not all MATs want this service. You can opt-in to the MAT Connect Associate Offer through the MAT Platform.

The MAT Team

Sian John: Director and Head of Operations
Nick Ware: Director and Head of Primary
Rose Griffiths: PiXL MAT Connect Operations
