

PiXL6 Offer 2020/21

We really do hope that you will continue with us into the 2020-21 membership year. Please find below details of what we trust is an exciting offer, and by scanning the QR code you will be able to access our Overview booklet. PiXL (Partners in Excellence) is a partnership of over 3,000 schools comprising of 1,600 secondary schools, 550 sixth forms, 1,000 primary schools and 60 providers of alternative education. Together, we share best practice to raise standards and to give students a better future and brighter hope.

We want teachers and leaders in all our schools to feel:

- **Valued** – We listen to your feedback, your concerns and requests and act on them.
- **Loved** – We provide an associate to work alongside you and to support.
- **Encouraged** – We have meetings where we hope you feel energised and inspired.
- **Equipped** – We provide you with the latest research, ideas and strategies to make a difference at post-16. We aim to connect you to others who can help through our extensive network.

PiXL6 began in 2014 and aims to bring sixth form teachers and leaders together to share good practice and to hear about specific post-16 strategies and resources. Founded by Sir John Rowling, PiXL emerged from school improvement programme, the London Challenge, in 2004. When government funding for the initiative ceased in 2007, the 50 member schools at that time decided voluntarily to continue with its model of collaboration around leadership and shared resources. PiXL has since grown to become the largest network of schools in England and Wales.

Overview of the PiXL6 Partnership Offer

- Five **national conferences** (mixture of digital meetings and face to face meetings).
- Supporting the implementation of **regional hubs** to facilitate more effective networking.
- **Bespoke associate support** during the year.
- The launch of **PiXL TV** to bring the power of our network directly to your school; docu-series on key pedagogical strategies, as well as explorations into such issues as curriculum planning and the gender gap, filmed in PiXL schools and available to watch on demand.
- A strong focus on **Teaching and Learning**, including a new platform to collect and share research and practice.
- **PiXL Stretch** (May 2020 Launch) will be expanded to provide more stretching content across a wide range of subjects and issues.
- **Oracy and debating**, including new debating mats across all subjects.
- **Precise pastoral interventions**, including attendance and behaviour management.
- Renewed focus on **academic writing** and reading, to include updates to **Unlock**.
- Continued focus on our **character** offer, including updates to the **PiXL Edge** programme.
- New and dynamic **breakouts** to encourage cognitive diversity.
- The option to book on to national **subject conferences** with leading experts to equip your staff. For next year we will be offering a **digital English, Maths and Science conference in the Autumn term** which is included in your membership fee.
- A focus on leadership at each one of our gatherings, and through the **School of PiXL of Leadership** programme.
- **10 free places** on the PiXL Engagement Leadership Programme, 5 Character and 5 Currency.
- Leadership **podcasts** and **book club** will bring the latest thinking directly to you.
- The subject-specific offering for **PiXL Knowledge** and **PiXL Independence** will be expanded.

Additional bespoke support only available to PiXL6 schools

- **Change Makers** – a new programme offering additional support and resource to Year 12 students struggling with progression to Sixth Form.
- **PiXL Edge Masters** – the top tier of our Edge programme is available exclusively to PiXL6 members, providing the opportunity for students to develop and prove their Leadership, Organisation, Resilience, Initiative and Communication skills.
- A clear focus on high achieving students, including resource and events to support application to Oxbridge and other top tier universities.
- **KSS5 debating** resource and strategy, to support students in developing their communication skills, cultural capital and subject knowledge.
- **Additional, exclusive** Stretch content for PiXL6 members, aimed at stretching academic thinking.
- A clear focus on resource and strategy to support Academic LORIC - instilling in students the **academic attributes and attitudes** required to thrive (Love of Learning, Open-Minded, Reading and Research, Interesting to Teach and Critical Thinking).

Overview booklet QR code
