EXCEPTIONAL PiXL HEADTEACHERS

At PiXL, we understand, value and believe in the importance of great leadership. We also realise that as well as being a deeply fulfilling and rewarding role, being a Headteacher can also be challenging, frustrating and sometimes, even lonely.

Our Exceptional Headteacher programme is designed to help current or aspiring headteachers become exceptional in their role and learn from some of the very best leaders in education and beyond.

WHY CHOOSE THIS PROGRAMME?

- It provides you with the essential space and time to reflect on your leadership; at the same time, you will be exposed to leadership thinkers, authors and innovators beyond the world of education to challenge your own thinking;
- You will have the opportunity to build new networks and to harness the power of collaboration with colleagues in other PiXL schools;
- Reinvigorate your passion, moral purpose and confidence as a school leader.
- Use the benefit of the space and time awarded to you on the five days and make new friends, laugh and revitalise!

HOW DOES IT WORK?

- The programme consists of 2x two-day residentials and a one-day conference;
- Meet, listen and be inspired by external speakers and PiXL leaders;
- Practical activities to help develop your confidence and skills in leadership;
- You will work with an experienced leadership coach over the course of the programme and have the opportunity to visit their school as well as hosting them at yours. Your dedicated leadership coach will help to challenge and support you throughout the programme. Many delegates maintain this relationship beyond the end of the programme.
